The Spruce View Ag Society is pleased to sponsor a \$1000 scholarship for Spruce View and area graduates in studies at College or University. All courses and programs are accepted however preference will be given to Agricultural courses and programs. Selection of the scholarship will be based on academic success, citizenship and volunteerism, and leadership. The deadline is March 31 annually. The successful candidate will be notified, in writing, in June of the application year. In order for the scholarship to be dispersed, proof of acceptance to a post-secondary institution must be presented to the Spruce View & District Agricultural Society. The scholarship will be awarded in June at the recipient's graduation ceremony.
